

Architectural floor plan of a bathroom. The plan is overlaid on a grid. Key features and dimensions include:

- Dimensions:**
 - Overall width: 1.10
 - Overall depth: 2.20
 - Room width (excluding walls): 1.00
 - Room depth (excluding walls): 16.325
 - Door swing radius: 50
 - Door width: 2.10
 - Sink width: 80
- Labels:**
 - SN-01 (Two locations, top of the plan)
 - SN-14 (Top left of the room)
 - SN-17/03 (Top right of the room)
 - SN-13 (Bottom right, near the sink)
 - SN-06/03 (Bottom left of the room)
 - PA-53 (Top center of the room)
 - SN-15 (Two locations, middle of the plan)
 - SN-04 (Two locations, bottom of the plan)
- Other features:**
 - A door is located at the bottom center, swinging outwards.
 - A sink is located at the bottom right.
 - A toilet is located at the bottom left.
 - Walls are indicated by thick lines and hatching.

Technical drawing of a locker room layout. The room is 16,325 units wide and 2,220 units high. It features two rows of lockers, each labeled PA-53. The lockers are arranged in a grid, with dimensions of 80 units for the locker width and 1020 units for the locker height. The lockers are labeled SN-17/03, SN-06/03, and SN-13. The drawing includes a grid pattern and a scale bar.

Architectural floor plan of a bathroom with a grid background. The plan shows a toilet (SN-01), a sink (SN-04), and a shower area (SN-02) with a glass partition. Dimensions are provided for various elements: a 30x80 unit, a 2.20m wide section, a 2.10m wide section, and a 2.20m wide section. A total width of 16,325 is indicated at the bottom left.
